  **Prof. Vincent Vander Poorten** (Leuven, Belgium)
Advanced Update: Recurrent pleomorphic adenoma (RPA)

Moderator: Prof. Piero Nicolai (Padua, Italy)

13 November 2021 (Sat)
14:00 (Geneva, Switzerland)

Prof. Joaquin Garcia
Rochester - USA
RPA: basic pathologic aspects

Prof. Miquel Quer
Barcelona - Spain
The surgical perspective

Prof. Chris Terhaard
Utrecht, Netherlands
Role of radiotherapy for RPA

Prof. Davide Farina
Brescia - Italy
RPA: radiologic evaluation

Prof. Claudio Cernea
Sao Paulo - Brazil
RPA and parapharyngeal space

Prof. Chris Terhaard
Utrecht, Netherlands
Role of targeted therapy / medical oncology in Carcinoma ex-PA

Prof. Carla Van Herpen
Nijmegen - Netherlands

Prof. Vincent Vander Poorten
Leuven, Belgium
Discussion of tricky clinical cases
